## Chairman's Welcome

As Chairman of this Auction Dinner, I am delighted to be welcoming you all here tonight to raise both awareness and funds for GWCT in Scotland. We were thrilled that with your help we achieved a profit of more than £150,000 at last year's dinner. It was the largest amount raised since 2014 and the fifth highest in the history of the Scottish Auction. It would be wonderful if we can keep up this momentum!

As many of you know, the GWCT is highly regarded by governments both North and South and with the science-based research that Rory Kennedy and his team produce we hope that policy decisions will be increasingly well informed in matters relating to our countryside going forward. With budgets being squeezed the Scottish government is leaning more on bodies such as the GWCT to help them and accordingly the support from fund raising events such as this is vital to help provide the resource needed. GWCT are apolitical and have been researching and developing game and wildlife management techniques for over 80 years and also provide training and advice on how best to improve the biodiversity of our countryside. They are very much a source of reason rather than hearsay.

You will see that this year we have a Golden Eagle on the front of our catalogue. This seemed particularly appropriate as GWCT are now the primary funder of the South of Scotland Golden Eagle Project, with Rory Kennedy sitting on the board. The project is critically reliant on grouse moors, for both donor birds and release sites, and is a highly visible example of how grouse moors can play a vital role in delivering government biodiversity objectives.

A great deal of hard work goes into putting on this excellent dinner and this would not be possible without the support of generous corporates and individuals such as we have here tonight, as well as our wonderful committee who have brought their collective experience to our meetings and ably sourced the wonderful sponsors and auction lots that we have on offer.

I would like to extend a special thanks to each of our main sponsors; Pentland Landrover, Saffery and Invenegy. If you are not already familiar with these companies please refer to our dedicated sponsor page in this catalogue which will tell you more. They are all represented here by taking a table tonight and would be delighted to meet you.

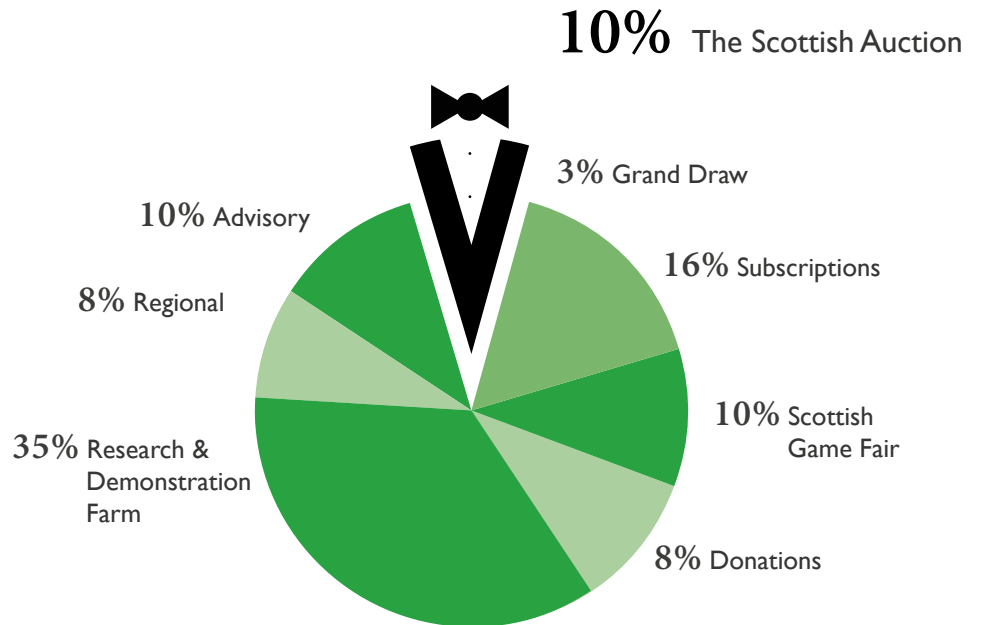

Thanks must also go to Prestonfield House Hotel for providing us with this delicious dinner and the wonderful surroundings, to Highland Game for donating the venison for our main course, to the advertisers in our catalogue and of course to all of our loyal donors, many of whom have supported us for a number of years. A very special thanks must go to the Glenrines and Corsehope/Raeshaw estates for their very generous lot donations that last year collectively raised £34,500. Please have a very good read of the catalogue and don't forget to take it home with you!

I do hope that you all have a wonderful evening and I look forward to meeting as many of you as possible.

## Director's Cut

Dear Guest,

The last few years have seen an unrelenting political onslaught for the Scottish land use sector. However, I predict that 2024 may be our year of fight back.

GWCT has a unique place in these polarised debates, as we force all sides to consider cold hard science, whilst constantly improving biodiversity outcomes from traditional land use.

The next phase of our Auchnerran research farm project will trial regenerative systems. While Europe is torn apart by farming protests, in the face of illogical and heavy-handed government, we seek practical solutions in carbon neutral, biodiversity rich, livestock farming.

We often get described as 'producing the bullets for the lobbyists guns' however this hugely downplays our own policy efforts. Apart from tackling a constant wave of government consultations, we have made multiple parliamentary representations over the last year; presenting punchy science to combat lazy assumptions and winning major policy concessions.

We have also supported the making of a feature length film by a prominent US conservation film maker. The Last Keeper is a unique project, drawing on 300 hours of interviews, from across our land use divide, while showing the impact on the wildlife and fragile communities caught in the crossfire. Soon to be on major streaming platforms, this film has been placed at the finals of the Cannes World Film Festival and will thrust these issues into mainstream.

We are making a real impact, but none of that is possible without your generosity. Please drink and be merry, and bid knowing funds raised make a huge difference in this fight.

A handwritten signature in black ink, appearing to read 'Rory Kennedy'.

**Rory Kennedy,**  
*GWCT Director Scotland*

Flowing in the Valley of the Deer since 1887, Glenfiddich's signature expression is the world's most awarded single malt Scotch whisky.

With a unique freshness from the same Highland spring water used since 1887, its distinctive fruitiness comes from the high cut point William Grant always insisted upon. Carefully matured in the finest American oak and European oak sherry casks for at least 12 years, it is mellowed in oak marrying tuns to create its sweet and subtle oak flavours.

## How to Bid

Bidding on-line will open at 12 noon on Friday 19<sup>th</sup> April at [www.gwctscottishauction.co.uk](http://www.gwctscottishauction.co.uk)

- Either scan the QR code or go straight to [www.gwctscottishauction.co.uk](http://www.gwctscottishauction.co.uk)
- Browse the items available. For more information and images tap on each item.
- If you are not signed in already, simply click the “sign in” button and follow the steps to create an account.
- Place your bid: once signed in amend the amount you want to bid and press “place bid”, ticking the box if you wish to remain anonymous.
- You can also choose to leave a maximum bid to let the system bid for you.
- For the silent auction you will receive a confirmation message and notifications if you are outbid (by SMS and email) with a quick link to bid again. Good luck.
- In the case of the live auction you must place your maximum bids by 6pm on Thursday 2<sup>nd</sup> May and they will be carried forward to join the live bidding at the dinner. You will receive notifications as above until 6pm on Thursday 2<sup>nd</sup> May. Your maximum bids will be carried forward to the live bidding and notification of success or failure will follow later.
- If you would like to bid for a live lot auction but cannot attend the dinner, please email [scottishauction@gwct.org.uk](mailto:scottishauction@gwct.org.uk) by Monday 29<sup>th</sup> April to register for a telephone bid.

To make a bid by mail or email, please contact Lois Bayne-Jardine: [scottishauction@gwct.org.uk](mailto:scottishauction@gwct.org.uk), call 07594 929783.

Privacy Policy: We'll use your details to fulfil your request. For more about how we protect your personal data see our Privacy Policy on our website [www.gwct.org.uk](http://www.gwct.org.uk)

## How to Pay

Lots can be paid for direct to GWCT by cheque, BACS or credit card, or online through the link in your bid success notification. We can email you an invoice if required.

Cheques should be made out to GWCT Scottish Auction; arrangements for delivery of auction lots to be made through the Auction Manager, Lois Bayne-Jardine, once full payment has been made ([scottishauction@gwct.org.uk](mailto:scottishauction@gwct.org.uk), 07594 929783).

## Gift Aid

In cases where auction lots have been provided by individuals it may be beneficial from a tax perspective for these auction lots to be sold on behalf of the providers of the lots, and although they will be given 21 days in which to ask for the proceeds of sale to be sent to them it is believed that they will not do so and by not doing so that they will gift the proceeds to GWCT under GiftAid, thus adding 25% to the hammer proceeds. For this reason some of the lots are in fact being sold for the providers of the lots.

In the remainder of cases, where the successful bid exceeds the known reasonable market value of the Lot, the purchaser, by signing a Gift Aid Declaration (you must be a UK taxpayer and have tax paid or payable equivalent to the relief being claimed), will be able to enhance the value of their donation. GiftAid allows the Game & Wildlife Conservation Trust, being a Charity, to claim an addition 25% on the difference between the market value and the winning bid. The Committee urge you to help them maximise funds generated by their auction for the Game & Wildlife Conservation Trust in this way. This is at no additional cost to yourself, and if you are a higher rate taxpayer you may be able to claim further tax relief via your self-assessment tax return of a further 25% of the difference.

At the time of payment you will be advised which case applies and where appropriate asked to sign a Gift Aid Declaration form.
